We are one of British Columbia's oldest, most well-established law firms. We have a considerable litigation practice, involving malpractice claims against various professionals, property damage and bodily injury claims, and municipal litigation. We also have active practices in corporate law, commercial real estate, health law, estates and trusts, and administrative law.

We offer articulated students the opportunity to begin developing their professional skills in a stimulating and challenging environment.

A detailed description of our firm can be found on our website
