

The Office of the Judge Advocate General welcomes all participants to the White & Case Canadian National Division Qualifying Tournament of the 2011 Philip C. Jessup International Law Moot Court Competition.

As the provider of legal advice to the Canadian Forces, JAG legal officers deliver independent, operationally focused, solution oriented legal advice and services across the full spectrum of military law. As members of both the professions of arms and law, JAG legal officers provide legal advice and services required by the chain of command, often in profound circumstances where life or liberty is at stake.

It is therefore with great pleasure that we sponsor the Canadian Jessup Tournament this year, and we wish all teams every success.
